

T.O.E.S. Scholarship Fund

(The Toe, Tap, Taffeta Opportunity Enrichment Scholarship)

In December of 2009 Cathy Oglesby Campbell launched the T.O.E.S. Scholarship Fund in memory of her mother, Del Oglesby. The fund accepts donations throughout the year.

Scholarships in the form of financial assistance are available for active SGB Company members who wish to further their summer ballet studies to enhance their experience with the South Georgia Ballet.

A scholarship may be used to pay for expenses as long as a financial need is shown. If you are interested in applying for a T.O.E.S. Scholarship with South Georgia Ballet, please complete the Application form and send it along with all required documents to the Executive Director at sgballet@gmail.com.
